
Our Vision, Mission and Values - Wilson Personnel

Our Vision: To be the number one source for top quality candidates in the Northwest Florida market place.

Our Mission: The mission of Wilson and Associates Personnel, Inc. is to maintain a team-based approach for developing quality personnel solutions that are traceable to our customer's bottom line.

To achieve our Mission: We do this by isolating candidates that have been prescreened and personally evaluated by our team representatives. Evaluating a candidate is knowing their strengths and weakness; their work history, what makes them stand out in their accomplishments to date, and their future professional goals. Our commitment is to serve our customers, employees and communities by providing a broad range of personnel services and industry specific knowledge.

Our Shared Values:-Integrity, Honesty and Ethical Behavior

- Commitment to Quality and Customer Satisfaction
- Dedication to Service and Personal Responsiveness
- Professional Excellence and High Performance
- Innovation, Creativity and Open-Mindedness
- Employee Participation, Contribution and Teamwork
- Diversity, Individual Dignity and Mutual Respect
- Growth, Profitability and Industry Leadership

Our active involvement with professional staffing associations enables us to stay on top of the latest technology and accounting practices.

Our commitment is to building long lasting relationships with our clients which enables us to better meet your specific needs.
